

## **Event Plan for Crown Tournament - February 6-8,2019**

**Main agenda - connecting international and Israeli Mamanet communities, between the Orthodox/Arab/new immigrant sectors and more**

As part of the Crown Tournament, we placed in the forefront the goal of connecting and strengthening the bonds between the different sectors and creating one community with the common values of Mamanet.

**The connection during the event will take place in a number of ways**

1. Mamanet games (cachibol) on the courts, a professional tournament with trophies and medals for all participants upon its conclusion
2. Sports professional conventions that will take place both in the hotel and on the courts:
  - ✓ Scorer certification
  - ✓ Referee certification
  - ✓ League management convention - how to build a league and community activity
  - ✓ Panel on how Mamanet improves the quality of life at home, in the social environment and even impacts the professional advancement of the mothers.
