The **Israeli Mamanet** league is the largest social-sports organization that was established in Israel targeting specifically mothers. It was established in 2005 and has since spread to thousands of players across Israel and the world. It is a unique and innovative model, challenging the existing status of mothers\ women and combines sport, health and community involvement. Mamanet model is being adopted around the world by a wide range of women no matter what is their age, race, religion, weight or physical condition, emotional state and socioeconomic background.

**Mamanet Academy** is coming to **Quebec** on order to involve Mamanet to a wider audience, to certify game Coaches, Referees & Scorers, train league Professional Coordinators, reach a wider community of mothers. and develop the international activity, through diversified courses including technical and theoretical studies During the Clinic we will focus on topics such as Professional Game Technics, League Administration, Regulations and Community Building.
