Mamanet league is the largest social-sports organization that was established in Israel targeting Mothers specifically. It was established in 2005 and has since spread to thousands of players across Israel and the world.

Mamanet invites you to a once in a lifetime experience as part of the CSIT World Sports Games (International Workers and Amateurs in Sports Confederation) which will take place in Tortosa, Spain.

This major event edition will be organized by CSIT member union UCEC – Unió de Consells Esportius de Catalunya. This six-day event will take place in the summer between July 2nd and 7th, 2019.

In 2015, Mamanet was invited to present its activities as part of the World Sports Games in Lignano, Italy. At the end of the games, Mamanet was recognized by CSIT as an official sport and in 2017 the 1st Mamanet tournament took place in the World Sports Games that were held in Riga, Latvia.

31 teams from around the world participated in Mamanet's Championship as part of CSIT World Games. Teams from Mexico, Austria, Latvia, Italy, Cyprus and of course Israel.

The host union from Catalonia UCEC organizes for the participants a sportive, cultural and Socially unique experience. From the colorful opening ceremony with thousands of athletes who will cross the Old City in the parade of the delegations through the tournaments that will take place throughout the four days, there will also be sports and cultural activities and of course every evening, parties and shows. On the last day there will be a closing ceremony. the next day we will continue for two more days to Barcelona.

Of course, Mamanet is organizing a few more surprises for Mamanet players, from professional clinics, training and other activities such as Beach Games to a Mamanet party which will be the best party in the games.

The Mamanet Games will be held in the coastal town of La Rapita, a tourist town where beach volleyball and football games will also be played. The hotel of the players is a four-star hotel located a minute walk from the beach and five minutes from the sport complex, so everything is accessible and within walking distance.
