## Score Calculation Method in the POOL Stage:

- Table Points:
  - Win - 2 points
  - Loss - 1 point
  - Technical Loss - 0 points
- In case of a table points tie between the teams, the qualifying team to the next stage will be the one with the highest own Set (Win to Lose) Ratio.
- In case of a Set Ratio tie, the qualifying team to the next stage will be the one with the highest Game Points (Win to Lose) ratio.
- In case of a Game Points Ratio tie, the qualifying team to the next stage will be the winner of a game between the teams.

## Score Calculation Method in the other Stages:

- Each team will qualify to the next stage only by winning and losing.
- Except for teams Ranked 25-32 – All teams will play only 1 Full game for Final ranking.
- The remaining 24 teams (comprising 75% of all 32 teams) will still have a chance to qualify for the FINALS.
